

Unit 11 Assessment

Young Geographer-Citizen Exhibition

Grade 3 Social Studies | Final Synthesis | Weeks 32–33

Name: _____

Date: _____

Part A: Year-in-Review Check

Choose the best answer.

1. The four fields of social studies are:

- A. Reading, writing, math, and science
- B. History, geography, economics, and civics
- C. Art, music, history, and geography
- D. Maps, sources, timelines, and charts

2. A primary source is one that was:

- A. Written by an expert after the event
- B. Created during the time it describes
- C. Found in a textbook
- D. Made by a computer

3. What does scarcity lead to?

- A. Free things for everyone
- B. Choices and trade
- C. Bigger maps
- D. More holidays

4. Where does the U.S. government get its power?

- A. From the Constitution only
- B. From the military
- C. From the people
- D. From other countries

5. A strong exhibit has four parts. Which are they?

- A. Title, author, date, and picture
- B. Map, source, community connection, and virtue
- C. Introduction, body, conclusion, and bibliography
- D. Question, answer, picture, and label

6. What are the four habits of a young geographer-citizen?

- A. Read, write, draw, and present
- B. See the world, use evidence, make wise choices, and serve
- C. Explore, discover, conquer, and celebrate
- D. Ask, answer, map, and trade

Part B: Exhibition Response

This is your final exhibit. Answer each prompt in complete sentences.

7. Map Connection: Name one place you studied this year. Describe its location using at least one geographic detail (landform, body of water, climate, or region).

8. Source Connection: Name one source you studied this year (a photograph, map, document, or artifact). Explain one thing you learned from it and why it matters.

9. Economics or Civics Connection: Pick one concept from economics (scarcity, trade, goods/services, costs and benefits) OR civics (government, voting, civic virtues, Constitution). Explain what it means and why it is important for communities.

Part C: Virtue Reflection

10. Look at the list of the 7 Pillars of Virtue: honesty, courtesy, courage, service, perseverance, self-governance, and responsibility. Pick the one that matters most to you as a young geographer-citizen. Explain why, using an example from something you learned this year.

Section	Points
Part A: Year-in-Review Check (Q1–6)	6 pts
Part B: Exhibition Response (Q7–9)	18 pts
Part C: Virtue Reflection (Q10)	6 pts
Total	30 pts

Unit 11 Assessment — Answer Key

Young Geographer-Citizen Exhibition

Part A (6 pts, 1 each)

1. B — History, geography, economics, civics
2. B — Created during the time it describes
3. B — Choices and trade
4. C — The people
5. B — Map, source, community connection, virtue
6. B — See the world, use evidence, make wise choices, serve

Part B (18 pts, 6 each)

7. **Secure:** Names a specific place (e.g., Southeast region, Grand Canyon, Caribbean) with at least one accurate geographic detail (climate, landform, body of water). **Developing:** Names place but vague detail. **Beginning:** No place or no detail.
8. **Secure:** Names a specific source (e.g., portolan chart, Great Seal, voter photo), states what was learned, and explains why it matters. **Developing:** Names source + learning but no importance. **Beginning:** Vague.
9. **Secure:** Picks a concept, defines it accurately, and connects it to community life with a specific example. **Developing:** Defines concept but weak community connection. **Beginning:** Names concept only.

Part C (6 pts)

10. **Secure:** Names one of the 7 Pillars, explains why it matters to them personally as a geographer-citizen, and connects to a specific lesson/topic from the year. **Developing:** Virtue + general reason, no specific connection. **Beginning:** Names virtue only.
